

All the rooms in The Mermaid lend themselves beautifully to being themed. Our in house design team can transform any area into the style of your choice.

The Main stage has the vast potential to become something totally unique for your company.

The Foyer and Bridge Bar can be themed from the moment your delegates walk in, or magically change from registration to a stylish reception area whilst delegates are inside the auditorium

Start the unique experience of the River Rooms from the Gallery. Walk through a tunnel of stars, or a forest of lights and silk.

The River Room with its amazing outlook this space is ideal as a reception area. Whether lit using your corporate colours or with the walls and windows dressed to a theme, this room lends itself to be welcoming and sociable.

The Blackfriars Room with its panoramic view can be configured for seated dinners or stand up buffets. With vast windows and an immense ceiling this room can be draped in voile coloured to your choice lit by mirror balls or themed to any style.
